### LARAC seeking proposals for 2011-2012 Exhibitions

### Lapham Gallery Opportunities for 2011-2012

*The Lower Adirondack Regional Arts Council is developing the exhibition schedule for 2011-12 at Lapham Gallery in Glens Falls, NY and is now accepting proposals from artists.*

Each year, Lapham Gallery presents four to six exhibitions of art and craft in all media created by local and regional professional artists.

Work must be recent, original, and must not have been shown as a solo exhibition in our gallery during the three years prior to submission. We encourage entry applicants working in all disciplines, including textiles, 3-dimensional work, and mixed mediums.

An application packet, complete with policies, submission guidelines and an application form, is available at Lapham Gallery, and can be requested for mailing by calling (518) 798-1144, x2.

Or visit the gallery section of LARAC's website at [www.larac.org](http://www.larac.org) to download the application packet.

The deadline for receipt of proposals for the 2011-12 Exhibition Season is September 30, 2010. For questions, please call Jenny at (518) 798-1144, x-2.

LARAC's Lapham Gallery is located on Lapham Place on City Park in downtown Glens Falls, NY. The gallery provides artists and artisans with a professional well-exposed space to display their work, whether in individual or group shows. Exhibition publicity includes opening receptions, marketing in the form of postcards and press releases, and website promotion.
